Python

Volunteering

11/2020 – PRESENT ⊙ BANGALORE, INDIA

Volunteer
Greethya

- For all the orphans, old aged people, mentally retarded kids etc, money doesn't matter. What matters the most is love, care & spending quality time.
- Hundreds of people donate money on any special occasion of their life, what truly needed is love.
- Let's think humanity & empower kindness! Nothing can make this world a better place than love, care & gratitude.
